# Driver's Education Mission

- The mission and purpose of PCA's DE Program is to provide a safe, structured and controlled teaching and learning environment.
- The PCA DE Program is designed so that participants can improve their driving abilities and acquire a better understanding of vehicle dynamics and driving safety.
- Participants experience first-hand the capabilities of high performance automobiles in a controlled, closed-course environment and acquire skills that will enhance safer vehicle operation in all driving situations.

# What You'll Learn

- The proper line around the track
- Braking, shifting & cornering techniques
- Vehicle dynamics and car control
- Proper use of vision
- On-track awareness, safety & courtesy
- Intuitive & counter-intuitive behavior
- You and your car's capabilities

# DE Benefits

- Self-paced learning & advancement
- Apply what you learn to daily driving
- Better anticipation & observation skills
- Improved focus
- More confidence = More control
- Meet people with a common passion
- Safe & fun!

# More Benefits...

- Improve daily driving
  - Car control
  - Situational awareness
  - Driver courtesy
- Gain a respect for speed
- Learn high-performance driving skills
- Challenging and rewarding experience
- Do what most drivers only dream of doing!

# DE Social Aspects

- Diverse people with a common passion
  - Close friendships will develop
- Interesting destinations in US & Canada
- Non-driver/family activities (day/evening)
  - Recreational (water, cycling, fine dining)
  - Tourist (museums, wineries, historic sites)
  - Shopping
- Evening activities
  - Trackside socials
  - Dinner, cocktails, discussions...
  - Level of off-track involvement is up to you!

# What DE is not

- Not racing
- Not preparation for racing
- No times or places are recorded
- No awards or prizes are presented
- Not dangerous – but it is serious!
- Can become addictive...

# DE Event Overview

- Event registration; cost approximately \$195/day depending on venue
- Pre-event tech inspection
- Daily trackside safety inspection
- Driver's meeting every morning
- Drivers grouped by DE experience
- 4 – 20-30 minute track sessions daily
- Social end of first day at most events

# Who Can Participate?

- 18 years old or older
- Valid driver's license
- Current member of PCA or other recognized car club (such as BMWCCA)
- 2 drivers can share one car
  - Each driver in a separate run group

# What Can You Drive?

- Your Porsche, of course
- NER & NCR allow non-Porsches
  - Other PCA regions may be Porsche-only or have other region-specific rules
- Cabriolet/Convertible Cars:
  - Most cars delivered with factory installed roll over protection meet the minimum standards for PCA DE events
  - If a car does not have factory installed roll over protection, a roll bar or roll cage must be installed which meets the "broomstick" rule.
  - Some tracks have additional requirements
- Many tracks have dB (noise) limits – a modified exhaust may not be acceptable

# Safety Equipment

- Helmets & accessories
- Shoes & gloves
- Seats & harnesses
- Roll bar / cage
- Fire extinguisher & bracket
