

## Palmer Motorsports Park July 2020 DE Track Rats

Fellow Track Rats,

Join us for another amazing weekend at Palmer Motorsports Park, 5-6 July 2020. At this event we will be going in the COUNTER-CLOCKWISE direction. We are all excited about our second event in 2020 at this facility and look forward to seeing you at the track. Both days are for solo drivers only – Blue/White/Black/Red run groups only (due to COVID-19 there will be no instructed run groups at this event).

This event is sponsored by Tim Kachel and the good folks at [Kachel Motor Company](#). Tim plans to be at this event. Please take the opportunity to thank him for his sponsorship.

**PLEASE NOTE:** the activities at this event are back to the schedule we've had in past years with the track hot from 9AM to 5PM.

All the information you'll need may easily be found on our web site [www.porschenet.com](http://www.porschenet.com). As this 'Track Rats' is multi-media, there are direct links to pages listed below. **Please visit the event page for NER's July DE Event at Palmer and download the event schedule, work assignments, PCA COVID-19 Release form and other important information.** Check back shortly before you leave for the track as there are often last minute changes. **There will not be copies of any of these materials at the event, so please print your own and bring them with you or load them on your Smartphone.**

<https://porschenet.com/events/new-de-at-palmer-motorsports-park-ccw/>

The following link should help to get you started. It points to our DE home page. If you click on the links to the right of the page they will lead you to the information you need.

**NER's DE Information:** Pay particular attention to the following:

[Technical Inspection](#) (the tech form for 2019 is still current)

[Requirements](#)

[On the Track](#) (all sections)

[Run Groups](#)

**Event Specific Information:** Links to these items are also located on the event page.

[On-Line Drivers' Meeting Pack](#)

[Event Schedule](#)

[Worker Assignments](#)

[Run Groups](#) for the event

[PCA Communicable Disease Release](#) print, fill out the bottom of the page and turn it in at registration – OR –

[PCA Communicable Disease Release](#) this requires eSignature on-site by accessing the document on your device and we will watch you eSign to satisfy the witness requirement.

## Palmer Motorsports Park July 2020 DE Track Rats

The following are details not specifically spelled out in the information provided above.

**Gate:** The front gates will open at 7:00 AM daily. We have paid for camping and security Saturday and Sunday nights so you should be able to get in whenever (but see next section).

**Early Group Arrival:** We can drop off on Saturday any time between 5 and 8 PM (they may NOT keep the gate staffed all night). Overnight camping for the event also begins at 5 PM on Saturday.

**Parking:** Please do not park on the paving along the pit wall parallel to the front straight. We will be using that paved area for tech inspection and maybe staging. In order to be fair to all, NO PARKING will be allowed on that strip of pavement. This includes Track Committee members and Instructors. Parking in the triangle to the left of the opening into the hot pits is reserved for NER Track Committee members to facilitate their access to perform track duties. There is also some paving around the garages and carports (see next item).

**Garage and Carport Information:** Garages and carports may be reserved online or at the track (first-come, first-serve). These are enclosed single car garage bays with 110v power. Carports are open with WiFi, no power. All Garage/Carport Reservations must be made directly through PMP. In an effort to make this process as convenient as possible, they will be accepting reservations on their website at: [Garages](#).

**Hours of Operation:** Palmer operates under strict hours of operation. For this event cars may be operated on the Course during the hours of 9:00 AM – 5:00 PM daily with a one hour lunch break.

**Noise Restriction:** The PMP sound limit is 95 decibels on the A scale, as measured at 50 feet from the track edge by track management. Vehicles in violation will not be allowed to continue use of the track without correcting the situation. Any vehicle causing a violation will be immediately black flagged and not allowed back on track until corrective measures have been taken. Any vehicle found to be in violation a third time will be excluded without refund from further participation in the event.

**Registration:** The track waiver will be signed at the gate as you enter. PCA registration will open about 7:00 AM each day. Please make sure that you and YOUR GUESTS sign both the track waiver and the PCA waiver. The PCA waiver will be signed at our registration on the deck outside the classroom. Minor waivers must be filled out for all minors in attendance. For guests arriving later in the day PLEASE MAKE SURE THEY SIGN OUR PCA WAIVER AT CONTROL. Everybody attending the event (including your guests and family) will be required to wear wristbands to indicate that they have signed the waivers. These will be distributed at registration. PLEASE MAKE SURE THAT EVERYBODY ASSOCIATED WITH YOU SIGNS THE PCA WAIVER AS WELL AS THE TRACK WAIVER. Registration and waiver signing is necessary only the first day you or your guests attend (keep your wristbands from day-to-day).

## Palmer Motorsports Park July 2020 DE Track Rats

[PCA Adult Waiver](#) print, print and sign your name then turn it in at registration (multiple adults can use the same form, each person prints and signs their name on a separate line – OR – [PCA Waiver](#) this requires eSignature on-site – access the document on your device and we will watch you eSign to satisfy the witness requirement.

[PCA Minor Waiver](#) print and complete a form for each minor then turn the forms in at registration

**Technical Inspection:** The Tech Line will open about 7:10 AM each day. Every car needs to be pre-teched as explained in the “Technical Inspection” section of the website mentioned above. In addition to this pre-tech requirement we will also have a mandatory final safety inspection each morning at the track. A tech line will be set up on the pavement parallel with the track. Please empty your car of all loose gear and materials, apply your numbers and move quickly to the Tech Line with your helmet and COMPLETED AND SIGNED tech form.

YOUR CAR MUST BE TECHED EVERY MORNING, YOU WILL NOT BE ALLOWED ON THE TRACK WITHOUT GOING THROUGH THE TECH LINE! If you're late and the tech line has closed you'll pay a \$20 late fee that will go to our charity, Homes for Our Troops. On the first day, register early and then get to the tech line. Please arrive early - don't be the last in line - we're all volunteers trying to give you a safe, fun day at the track.

**Instructors please note:** Although you may do your own inspection when you get to the track you are still required to have your vehicle pre-teched as described in the “Technical Inspection” section of the website. At some events we have had Instructors turning up with Tech forms filled out by themselves or by someone unidentifiable as an approved Tech Inspector. This is contrary to PCA requirements and will not be accepted. If it is not clear to you what is required please contact Stan, Aaron or Justin in advance of the event so that we can explain it to you. Those failing to meet this requirement cannot be allowed to run under the terms of our insurance. Instructors, do not bring your tech form to the tech line. Hold onto it until after the drivers meeting. A drop box for your tech forms will be placed near control. Instructor Tech stickers will be made available.

**Worker Assignments:** All attendees are expected to help make our event safe and fun. The only work assignments for this event are the Tech Team workers. Please take the time to understand when and where you are expected to be. **If you are listed to work the tech line please try to be at the track early** (particularly on Sunday and Monday morning). Details of the work assignments will be provided to you by your team leaders (Aaron Murphy for the Tech Team and Sally Bean for the Control Team).

**Classroom activities:** There will be no formal classroom sessions at this event.

**On-Line Drivers' Meeting:** NER is continuing our On-Line Driver's Meeting that we initiated several years ago at our September Palmer event in order to expedite the driver's meeting and improve our compliance with the COVID-19 restrictions. Our "On-Line Driver's Meeting Pack" is a document of the actual drivers' on-site meeting topics. What this means is:

## Palmer Motorsports Park July 2020 DE Track Rats

- 1) Everyone should read the On-Line Drivers' Meeting Pack. ALL drivers (Blue, White, Black and Red run groups) should PRINT the top cover. Once you have read the document - and found the answer to the "Secret Question" included in the main text - complete and sign the top cover and BRING THE SIGNED TOP PAGE with you to your first day of Registration;
- 2) During your registration at the event, you will show the top cover to the person at registration and place it in the On-Line Driver Meeting collection box and we will mark you off on our check sheet; and
- 3) EVERYONE MUST STILL ATTEND the on-site Drivers Meeting each morning but that meeting will be brief. Those who do NOT have the signed form with them will have to find a way to read the document, print and complete the top cover and turn it in before they are allowed to drive on track.

Our thanks, and your Driver Meeting Pack can be found at the link [here](#).

**Two Spin Rule:** Any driver who leaves the track (two or four wheels off), spins, is not in control of his/her car, and/or makes contact with another car or object will be black flagged and must come into the pits to have the car looked over and to be queried for the cause. Do not wait for the black flag to come into the pits. A second incident may be cause for not driving the rest of the day and/or ejection from the event.

**Attitude Adjustment:** Anyone deemed to be unsafe and discourteous will be ejected from the event with no refund. Safety is our primary concern throughout the course of the event. This is NOT a timed event and it is NOT practice for racing.

**Fuel:** Good news for those that hate driving into town to get fuel. Palmer has had 93 and 100 octane unleaded fuel available at the track. Payment by cash or credit card is preferred. The fuel truck is located on the garage side of the tents and due to the current set up they have to pump it for you. No self-service at this time. Off-track the nearest fuel is a Sunoco on Rt 67 approximately 3.5 miles from the track (turn left on West Ware Road leaving the track, turn left on Rt 67, drive 1.9 miles, Sunoco on the left). If you get crossed up and turn right don't panic, there's another Sunoco on Rt 67 about 6 miles down.

**Camping:** Overnight camping for the event begins at 5:00 PM on Saturday. There are now showers and bathrooms but porta-potties are still in evidence.

**PMP Rules and Regulations:** To ensure that all guests have a safe and enjoyable visit to Palmer, their rules and regulations are appended to the end of this Track Rats.

**COVID-19 Rules and Regulations:** PCA/NER COVID-19 rules and regulations are appended to the end of this Track Rats.

## Palmer Motorsports Park July 2020 DE Track Rats

**Pets:** Pets must be on a leash at all times while on track property

**Breakfast and Lunch:** Due to COVID-19 no food or drink will be available at the track. You are responsible to provide your own food and drink.

**Social:** Due to COVID-19 there will be no social or dinner at this event.

**Charity Events:** Please let registration/control know if you are interested in doing Parade Laps at this event. If there is enough interest we will ask for permission to do parade laps.

So, study your materials, make sure your car is pre-teched; MAKE SURE YOU PRINT YOUR SCHEDULE AND WORKER ASSIGNMENT and we'll see you at the track. Check back shortly before you leave for the track as there are often last minute changes.

See you at the track!  
Stan Corbett

If you need anything else or have questions please email [Stan Corbett](#) or phone me at 774.275.1621 before 9PM.

## Palmer Motorsports Park July 2020 DE Track Rats

### COVID-19 Safety Rules and Regulations:

Participants who refuse to comply with these policies will be asked to leave the event upon first offense. Failure to comply puts the entire event at risk of being shut down by the state of Massachusetts. These rules are in place for everyone's safety and are not optional. If you cannot, or will not comply, please cancel your registration before coming to the track.

#### General Member Protocols

- All participants must wear a cloth mouth and nose face covering or other non-venting PPE mask when in public areas such as at meetings, Driver Info and Registration, photography viewing areas, staging, fan stands and track viewing areas, "communal" rental garages, and vehicle tech inspection. Drivers do not need to wear a mask or face covering while in their vehicles, **except while in tech-line**.
- All non-cohabitating participants shall continue to maintain 6 feet social distancing. Face coverings are not a substitute for physical/social distancing. Respect track committee members with social distancing. Remember, everyone wants to talk to them. Give them space.
- All participants shall practice good hygiene by washing hands or using hand sanitizer often, especially after touching frequently used items or surfaces, such as pens, faucets, doorknobs, etc. Please bring your own PPE, but hand sanitizer and gloves will be available at the track.
- Outdoor meetings are strongly preferred and still require physical distancing, but if the weather is prohibitive, indoor meetings can be held under strict physical-distancing protocols, including at least 6-foot-radius spacing between non-cohabitating attendees, and continued use of face coverings. Should this not be feasible, indoor meetings are prohibited.
- Non-vulnerable participants need to understand that there is risk of bringing the virus home from any event and should take extra caution to isolate from vulnerable individuals once back home.
- Participants who are sick or coughing should not go to the event and will be required to leave.
- All socially dense gatherings such as barbecues and beer gardens are suspended until further notice.
- Parked vehicles should be spaced no less than six feet apart. Pit areas, tents and race trailers should be spaced no less than 12 feet apart. Dedicated garage spacing between teams or individuals should be no less than 12 feet apart. Race trailers and haulers should only have one individual inside at any time.

#### Tech

- **Self-tech** at the track for instructors will be allowed; **Do not** bring your tech form to the tech line. Hold onto it until after the drivers meeting. A drop box for forms will be placed near control. Window stickers will be made available.
- HPDE tech should be done with the participants staying in their vehicles and pulling up in line to avoid any gatherings at the tech area.
- You must sign your PCA tech form with your own pen. No pens will be available. Failure to sign your tech form will result in you needing to go through tech again.
- You must wear a face mask while in tech line.

## **Palmer Motorsports Park July 2020 DE Track Rats**

- Place Tech form on dashboard in front of driver in an orientation that can be read from outside (thru the windshield), when signaled, driver will flip tech form over to the 2nd page.
- Once Tech inspection is complete, the driver will then deposit the Tech form in a drop box held near the driver's side front window
- Tech inspectors will wear PPE such as masks and latex gloves.

## **WHISKEY HILL RACEWAY 2020 RULES**

NO ONE IS PERMITTED ON WHISKEY HILL RACEWAY PROPERTY WITHOUT FIRST SIGNING A LIABILITY WAIVER.  
IF YOU HAVE NOT DONE SO, YOU ARE A TRESPASSER AND MUST LEAVE IMMEDIATELY.

### **GENERAL**

- The entry road speed limit is 25 mph. The paddock speed limit is 10 mph.
- The racing surface, including the track entry, exit and hot pit, is operated in a clockwise or counter clockwise manner only. At no time may any vehicle be operated in the opposite manner unless specifically directed to do so by an event official.
- Cars within the hot pits may be pushed backward by crew, but can be driven backwards only when specifically directed to do so by an event official.
- The sound limit is 95 decibels on the A scale, as measured at 50 feet from the track edge by track management. Vehicles in violation will not be allowed to continue use of the track without correcting the situation. Any vehicle causing a violation will be immediately black flagged and not allowed back on track until corrective measures have been taken. Any vehicle found to be in violation a third time will be excluded without refund from further participation in the event.
- Motor vehicles are not allowed on the race track from the time it is closed ("cold") for the evening until it is opened again the following morning.
- Bicycling and walking are allowed on the race track during non-use ("cold") hours only by prior agreement and only when track maintenance vehicles are not using the track.
- Firearms and fireworks are prohibited.
- Wood fires are permitted ONLY in WHR-provided or approved fire pits between sunset and sunrise. The persons making such fires are responsible for keeping them contained and insuring they are completely extinguished before leaving them.
- Small children may not be left unattended.
- Pets must be on a leash at all times while on track property.
- Radio controlled helicopters, airplanes and any other devices that intentionally leave the ground may not be operated on WHR property.
- Non-street legal race vehicles, pit bikes, scooters, etc may be operated on WHR property only. Anyone found to be operating non-street legal vehicles off WHR property may be immediately escorted from the premises.

### **ALCOHOL AND DRUG POLICIES**

- Alcohol may not be consumed anywhere on WHR property until the track surface is closed ("cold") at the end of the day.
- Illegal drug possession and/or use on WHR property is not permitted at any time.
- Persons using prescription drugs that bear warnings against operating motor vehicles shall not use the race track surface, and are not allowed in any areas marked "authorized personnel only".
- Persons violating these policies may be immediately escorted from the premises.

### **PADDOCK USE**

- Parking in Reserved parking & RV areas permitted by registration and pre-payment only.
- Oil, transmission fluid, anti-freeze, and other hazardous fluids may only be left at the track in containers designated for those purposes. Take used tires home.
- Permission must be obtained from track management before any paved surface is marked with anything other than chalk.
- Do not drive stakes or nails into the asphalt.
- Stakes may be driven into unpaved areas only with location specific authorization from track management. There are underground utilities, and you will be charged for any repairs to utilities or the asphalt.
