

High Performance Driver Education (HPDE)

Ground School March 8, 2025

*In Car & Classroom Instruction for Novice to Intermediate, Advanced
and Expert Levels*

Porsche Club of America

Driver's Education Mission

- The mission and purpose of PCA's DE Program is to provide a safe, structured and controlled teaching and learning environment.
- The PCA DE Program is designed so that participants can improve their driving abilities and acquire a better understanding of vehicle dynamics and driving safety.
- Participants experience first-hand the capabilities of high-performance automobiles in a controlled, closed-course environment and acquire skills that will enhance safer vehicle operation in all driving situations.

What You'll Learn

- The proper line around the track
- Braking, shifting & cornering techniques
- Vehicle dynamics and car control
- Proper use of vision
- On-track awareness, safety & courtesy
- Intuitive & counter-intuitive behavior
- You and your car's capabilities

What DE is not

- Not racing
- Not preparation for racing
- No times or places are recorded
- No awards or prizes are presented
- Not dangerous – but it is serious!
- Can become addictive...

DE Driving Benefits

- Self-paced learning & advancement
- Apply what you learn to daily driving
- Better anticipation & observation skills
- Improved focus
- More confidence = More control
- Do what most drivers only dream of doing!
- Safe & fun!

DE Social Aspects

- Meet people with a shared passion
 - Diverse backgrounds
 - Close friendships will develop
- Interesting destinations in US & Canada
- Non-driver/family activities (day/evening)
 - Recreational (water, cycling, fine dining)
 - Tourist (museums, wineries, historic sites)
 - Shopping
- Evening activities
 - Trackside socials
 - Dinner, cocktails, discussions...

DE Event Overview

- Event registration; average cost \$330-\$380 per day depending on venue
- **50% DISCOUNT First Time, First Event**
- Pre-event tech inspection
- Daily trackside safety inspection
- Driver's meeting every morning
- Drivers grouped by DE experience
- (4) – 20-30 minute track sessions daily
- Social end of first day at events

Who Can Participate?

- 18 years old or older
- Valid driver's license
- 2 drivers can share one car
 - Each driver in a separate run group

Types of cars

- All makes and models are welcome
- Convertibles with factory roll over protection are acceptable
- Must pass a safety inspection to ensure all aspects of the car are safe at high speed.
- No changes, modifications, or upgrades required — your car is plenty capable as is to handle the track. Please do not start out on racing rubber!

Porsche Club of America

What Can You Drive?

- Your Porsche, of course
- NER & NCR allow non-Porsches
 - Other PCA regions may be Porsche-only or have other region-specific rules
- Cabriolet/Convertible Cars:
 - Most cars delivered with factory installed roll over protection meet the minimum standards for PCA DE events
 - If a car does not have factory installed roll over protection, a roll bar or roll cage must be installed which meets the "broomstick" rule.
 - Some tracks have additional requirements
- Most tracks have dB (noise) limits – a modified exhaust may not be acceptable

Safety Equipment

HELMET REQUIRED. (Rental options may be available)

Advanced Drivers May Also Use:

- Shoes & gloves
- Seats & harnesses
 - Harnesses specific to your car
 - Head & neck restraints mandatory with multipoint harnesses (PCA National requirement as of 2019)
- Head and Neck Support Device (HANS)
- Roll bar / Half or full roll cage
- Fire extinguisher & bracket

Students & Instructors

- Instructors assigned to all Green/Yellow run group drivers – no exceptions
- Registration fee includes instruction
- All instructors certified by the host region
- Instructor/Student pairings done with forethought
- Same instructor for an entire event
- Different instructor for subsequent events
- Rides with instructors encouraged for solo drivers
- Self-paced instruction & run group advancement

Driving Evals

- DrivingEvals.com is an on-line system that allows your instructor to record his observations about your driving and you, the student, to evaluate your instructor. This allows the club to track your progress and tailor future instruction to your driving needs.

FAQs: I'm worried about the other guy

- Strict enforcement of rules — monitored by PCA staff, coaches, and corner workers — nothing goes unnoticed.
- Passing rules eliminate the uncertainty of “racing”
- Black flag station for control of non rule followers
- Two spin rule
- Bad attitude rule
- Run groups based on experience and skill.
